## YOUR HELP

### HOW YOUR MEMBERSHIP DUES HELP CHILDREN, TEENS, ADULTS AND FAMILIES

The Malverne Public Library strives to maintain the quality programs and services that have made it so effective in serving the needs of the community. It is through the generosity of people like you that the Friends are able to help fund the library's numerous programs and services.

This year the Friends added the New York Hall of Science to the list of museum passes available. Pass permits 2 adults and 6 children entry with free parking and free access to Science Playground and Rocket Park Mini Golf.

As always, your Friend's contributions purchase supplies, equipment, furniture and programs not included in the library budget. This year we were also able to sponsor the L.I. Chess Nuts Programs.
